Bus Lines and School Pick Up

To ensure the safety of all students going home at the end of the day, we ask that all students who catch the bus sit down in their bus lines as soon as the bell rings. Similarly, all students who are getting picked up by their parents/caregivers we ask that they also sit down in their allocated line as soon as the bell goes.

It is appropriate that once parents have picked up their child at the end of the school day that they make their way to the outside perimeter of the school. This will assist the teaching staff to fulfill their duty of care obligations ensuring that all students arrive home safely. Your assistance in this matter is greatly appreciated.

School Excursion- Great Aussie Bush Camp

The excursion to the Great Aussie Bush Camp is anticipated to return back to school at 3.30pm today. A full report on the excursion will be communicated in next week's newsletter.

DC Green - Author Visit

Yesterday, children's author DC Green visited our school. DC Green gave a brief summary of life as a surf journalist and children's author and why he loves writing. DC showed the students how to formulate creative writing story ideas and writing techniques and concepts including attention-grabbing starts, how to create distinctive characters, conflict and effective endings. DC also engaged students in the process an author undertakes to travel from an idea to published work. This involved explaining idea development, story mapping, drafting, editing and polishing a written piece.

PSSA SOCCER REPORT

On Thursday of last week, Telegraph Point Public School participated in the first knockout of the PSSA Soccer Tournament. Against a much larger school of Port Primary, Telegraph Point players from grades 4 to 6 put in their best efforts. Unfortunately, after a few quick goals, Port Primary took a decisive lead in the first half but to the credit of our players they continued to tackle hard and just before half time had a few good attempts on goal.

In the second half Telegraph Point came out strong showing their best play of the game in the first 10 minutes. During this time Port Primary definitely found it tough going. With a few players out of preferred positions, the team showed great adaptability. After 50 minutes of very competitive play we finished the game having lost but all players should be proud of their efforts and tenacity against a much larger school. Congratulations to Koby, Austin, Jackson, Ceara, Jesse, Taelor, Tiger, Blake R, Levi, Jabin, Nate, Chris and Jordan for a great game and a big effort! Well done!

Thank you to Karen White for all her help with the organisation of the game, the referee, James Brady for his skill and time and to Eian and Sharron for marking the pitch.
