Principal Report

Welcome to Week 8 of the term, and as we head towards the Winter Solstice this Saturday (shortest day of the year or the longest night, in terms of daylight) the weather has certainly taken a cooler turn. Please ensure all of your children's clothing is clearly labelled as this weather does lend itself to layering and as such we tend to end up with a lot of lost property at this time of the year. The lost property is located on the stage.

Parent Teacher Interviews

Message

This year parent teacher interviews will be held in the last week of Term, 2 Monday-Thursday. Parents are asked to contact the school to make appointments either by phone or see Kathryn in the office. Also this year we are offering "opt in" interviews, where your child can also participate in the interview. If you are going to take advantage of this option please do not bring other children to the interview and please indicate that you will be taking advantage of this "opt in" capability when booking the interview.

Communication

Message

As always, if you have an issue or concern please contact the classroom teacher through the front office. From time to time issues arise at school. This is perfectly normal for any school setting so if you have any questions, issues, enquiries or you want feedback on any aspect of your child's schooling please ring to make a **mutually convenient appointment time** with your child's teacher, Assistant Principal or myself.

Assessment and Reporting

Message

If you decide to bring your child with you to the interview, it is requested that every effort is made for siblings not to be present in the room during this time to ensure that each child is able to fully celebrate their achievements. The duration of the Interview is ten minutes so if you require more time or wish to discuss anything in greater detail please arrange another time with the teacher.

P&C

Message

The P&C provides an opportunity for parents and citizens of the community to contribute to the school. It provides a platform to express ideas, suggestions and concerns and is a great place to meet others involved in the school community and to develop relationships and friendships that last beyond the school gate.

We have an incredible school with some very talented students who have been supported and encouraged by a dedicated and caring staff.

The P&C endeavour to enrich the school environment by becoming involved.

The P&C support the school in many ways including;

- Financially - through various fundraisers that run throughout the year and by assisting in the application and acquisition of various grants available.
- Socially – by running certain activities such as the Mothers' and Fathers' Day stalls and school discos.
- By providing services such as the uniform shop & canteen.
- By working with school management to develop policies and strategies.

People can become involved at the level they are comfortable with. Some assist at various fundraisers and events, others join the committee. Any support is welcome.

The P&C meet in the school library on the 1st Monday of each month during term at 6.00pm and welcome any interested members of the community to join.

P&C meeting

The next P&C meeting will take place on Monday 1st July at 6.00pm in the library. I look forward to meeting with parents and community members and discussing the wonderful learning opportunities that we are planning for the 2019 school year.

Financial Assistance

Please remember that if you require financial assistance to help pay for any school activity this year, to come and see me. We have a number of ways in which to help and please rest assured, all details are kept confidential. We would like to see all students involved in our planned activities and if finance is a problem please make contact.

Voluntary Contribution

Message

If you would like to pay the Voluntary Contribution of \$75 you are still able to do this via Eftpos, Cash or online via the website (POP). This contribution helps the school to buy resources for the children.

Woolworths Earn and Learn

Message

Telegraph Point Public School will be participating in the Woolworths Earn and Learn promotion. This promotion runs from the 1st May until the 25th June, 2019. A customer will receive a sticker for every \$10 spent in a single transaction at any Woolworths Supermarket, Woolworths Metro and Woolworths Online. Students can bring in stickers and place them in the box provided or stick them on a sticker sheet (available at school and in stores). At the end of the promotion, based on the number of stickers collected, we will be able to purchase equipment for the school for students to use.

I am looking forward to meeting with you and discussing the educational needs of your children and working together to provide a quality education for all students at Telegraph Point Public School.

Kind Regards,
Duncan Adams
School Principal
