Interrelate Anti-bullying Ceremony

Message

Interrelate Anti-bullying Ceremony at Government House

On the 21st of June, my family and I travelled to Sydney to attend the Anti-Bullying competition/ceremony which was held at the New South Wales' Government House.

It was amazing arriving at Government House; its beautiful sandstone design stands out with all its detailed markings. But it was even more amazing inside the building, which has high painted ceilings, ornate plaster work, antiques, wood frames, massive paintings and beautiful wooden staircases.

The ceremony started with many speeches from different representatives. We heard some very interesting thoughts from an Aboriginal man representing the traditional owners on which Government House sits. The Governor of NSW, Margaret Beazley, also gave a speech about why it is so important to stand up against bullying. The Governor then handed out certificates to all the finalists and we had our photos taken with her.

Once all of the finalists received their certificates, the winner of the competition was announced. I would like to congratulate the winner, Isabella Sinanovski from Lennox Head Public School, NSW. I would also like to mention that our school received a prize for being 1 of only 7 schools in all of Australia to have 100% participation. Well done Tele Point!

I was extremely privileged to be part of this amazing experience and represent Telegraph Point Public School.

Principals Report

Message

The final week of what has been a wonderful first semester at Telegraph Point Public School is upon us. This week we celebrate the achievements of our children through Semester 1 Reports and acknowledge the positive conduct of our students in the playground at our Term 2 Reward Day on Friday.

This semester has been a wonderful one in our community thanks to the outstanding partnership of cooperation that exists between parents, educators and students in our community. We thank everyone who made contributions to the experiences of children this semester and trust you are able to re-charge the batteries during the up-coming holiday break and look forward to another exciting term of learning and growing.

Please consider the following as you plan for the final days of the term:

Athletics Ribbons and Trophies

The remainder of the athletics ribbons and trophies will be presented to students at our special assembly starting at 1.45pm this Friday 5th July.

Special Assembly

This Friday our 4/5 and 5/6 classes will be hosting the special assembly at **1.45pm**. At this assembly bronze and silver awards will be presented to deserving students.

Term 2 Reward Day

The Term 2 Reward Day for all students will be a tabloid sports session on Friday. This rewards session is a fun way to acknowledge the students who have consistently exhibited acceptable behaviour on the playground throughout this term.

Term 3 Resumption

A reminder to the community of the recommencement date of learning for Term 3. School resumes for all students on **Tuesday, 23rd July**.

P&C meeting

The next P&C meeting will take place on Monday 5th August at 6.00pm in the library. I look forward to meeting with parents and community members and discussing the wonderful learning opportunities that we are planning for the 2019 school year.

Financial Assistance

Please remember that if you require financial assistance to help pay for any school activity this year, to come and see me. We have a number of ways in which to help and please rest assured, all details are kept confidential. We would like to see all students involved in our planned activities and if finance is a problem please make contact.

Communication

As always, if you have an issue or concern please contact the classroom teacher through the front office. From time to time issues arise at school. This is perfectly normal for any school setting so if you have any questions, issues, enquiries or you want feedback on any aspect of your child's schooling please ring to make a **mutually convenient appointment time** with your child's teacher, Assistant Principal or myself.

Dr Michael Carr-Gregg Australia's leading child psychologist is coming to Port Macquarie

Message

As a part of Hastings Valley Community Schools initiative we are bringing Dr Michael Carr-Gregg to Port Macquarie.

Our year 5 & 6 students will have the opportunity to hear him speak at Westport High Campus on Tuesday 27th August.

Dr Michael Carr-Gregg will be conducting a community event to be held at Port Macquarie High School Campus on Monday 26th August 6pm-7:30pm. Tickets go on sale tomorrow at 8am. Tickets are \$16.91.

Please click on the below link to purchase your tickets.

<https://drcarrgreggseminar.eventbrite.com.au>

Heralded as Australia's highest profile and leading adolescent psychologists, Dr Michael Carr-Gregg will present to the parent community of Port Macquarie and the wider community on topics to help with building happy, resilient children, practical parenting techniques, mental health issues for young people and their families, cyber-bullying and cyber safety and much more.

He has worked in the area of health psychology, bullying, parenting adolescents and adolescent mental health. Michael has been the Consultant Psychologist to the Victorian Secondary Schools Principal's Association, Australian Boarding Staff Association, the Australian Ballet School, St Catherine's and Melbourne Girls College, the Catholic Education Office, Lauriston Girls School, and The Australian Boarding Schools Association.

In 2003 he was one of the founding members of the National Coalition Against Bullying and became one of their national spokespersons. He currently chairs the NCAB Digital Literacy Subcommittee. He also served on the advisory committee for the Federal Government's Boys' Education Lighthouse School Programme. In 2006 he conducted Australia's largest survey on internet bullying, with over 13,000 respondents and he designed and conducted a study with the AFL Players Association on depression in elite AFL players. He currently sits on the Federal Government's internet safety Consultative Working Group.

In 1985, he founded the world's first national teenage cancer patients support group, Canteen - The Australian Teenage Cancer Patient's Society. Michael has worked in private practice as a child psychologist academic, researcher and he spent four years working as a political lobbyist. Michael has been the recipient of a number of awards including the Australian Jaycees Outstanding Young Australian of the Year (1987), the New Zealand Commemoration Medal for Services to the Community (1990), and named Paul Harris Fellow by Rotary International in recognition of his work in the prevention of youth suicide (1997).

Woolworths Earn and Learn

Message

Telegraph Point Public School participated in the Woolworths Earn and Learn promotion. The promotion ran from the 1st May until 25th June. Customers received a sticker for every \$10 spent in a single transaction at any Woolworths supermarket, Woolworths Metro and Woolworths online. Stickers were bought into school and placed in the box provided. Mrs White has co-ordinated this effort & we will report on the equipment we were able to purchase as a result of this initiative in later issues of the newsletter.

I am looking forward to meeting with you and discussing the educational needs of your children and working together to provide a quality education for all students at Telegraph Point Public School.

Kind Regards,

Duncan Adams

School Principal

Join a Ranger in the Rainforest

Announcement
